PRINCETON

Adventures in the Deeps of the Mind
The Cuchulain Cycle of W. B. Yeats
BARTON R. FRIEDMAN
Friedman demonstrates that, as a cycle, the Cuchulain plays trace Yeats's progress toward finding a genuine dramatic mode. His examination of this process reveals much about a playwright whose work is both great literature and extraordinarily effective theater. *Princeton Essays in Literature* $10.00

Chaucerian Fiction
ROBERT B. BURLIN
"Here is a critical study of all of Chaucer's poetry that matters, one in which critical insight of the highest caliber is backed by historical knowledge and thorough assimilation of the published criticism of Chaucer, traditional and modern. It is a most impressive accomplishment." — *Marie Borroff, Yale University* $14.50

Hardy's Poetic Vision in *The Dynasts*
The Diorama of a Dream
SUSAN DEAN
Dean uses Hardy's own metaphor — the diorama of a dream — to interpret *The Dynasts*, his largest and last major composition. She shows that the poem presents a model of the human mind in which is enacted an event and, simultaneously, the watching of that event. $16.50
